RE: Office Closure for Oklahoma Tribal Vocational Rehabilitation Meeting

The Muscogee (Creek) Nation Vocational Rehabilitation Service Program is pleased to announce that it will be hosting the Oklahoma Tribal Vocational Rehabilitation Meeting (OKTVR) in Tulsa on Wednesday, January 29, 2024. We extend our gratitude to OKTVR for letting Muscogee (Creek) Nation Vocational Rehabilitation Service Program host the meeting.

To ensure our team's full participation, the office will be closed on January 29th. During this time, phone calls will be forwarded, and messages will be answered or returned promptly to maintain essential communication and support. Normal operations will resume on January 30, 2024.

This event highlights our dedication to disability employment awareness, and we greatly appreciate your continued support as we collaborate with community and tribal partners to advocate for meaningful opportunities and visibility for those we serve.
